

EXCUSE ME, MA'AM, BUT WHILE I WAS WAITING I COULDN'T HELP NOTICING THAT ABSTRACT SCULPTURE. WHO WAS THE ARTIST?

DOCTOR KLEMP MADE THAT HIMSELF. THERE'S ACTUALLY A FUNNY STORY BEHIND IT...

"YEARS AGO, DR. KLEMP PURCHASED A BRAND-NEW LUXURY SEDAN, LOADED WITH EXTRAS.

"THE CAR WAS PERFECT, EXCEPT FOR ONE FLAW..."

"... IT HAD A PERSISTENT ANNOYING RATTLE..."

"... ESPECIALLY WHEN BEING DRIVEN OVER RAILROAD TRACKS OR ON BUMPY STREETS."

"HE TOOK THE CAR BACK TO THE DEALER, AND HAD EVERY SINGLE PART CHECKED AND TIGHTENED..."

"... BUT THE RATTLE CONTINUED."

"FINALLY, HE HAD THE CAR COMPLETELY DISMANTLED."

"INSIDE ONE OF THE DOOR PANELS THEY FOUND THE SOURCE OF THE RATTLE."

"SO RATHER THAN SPEND THE MONEY TO REASSEMBLE THE CAR, DOC BOUGHT A NEW ONE -- AND MADE A SCULPTURE OUT OF THE PARTS."
